claims 9-23 have been withdrawn.

## Non-Responsive Reply

2. The reply filed on January 28, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to respond to the sections 5-16 of the office action. It appears that Applicant merely responded to the restriction requirement. However, during a phone conversation with Michael Swope on 9/5/03, Applicant provisionally elected without traverse to prosecute the invention of Group II, claims 9-23. In response to the provisional election, the Examiner submitted a complete first office action including prior art rejections. Applicant is required to respond to all objections and rejections. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
